CONCERT KICKS OFF TOURNAMENT WEEK TWO DAYS EARLY ON SATURDAY, FEB. 3

### **GLOBAL SUPERSTAR POST MALONE TO TAKE THE STAGE AT THE ICONIC 16<sup>TH</sup> HOLE FOR YEAR THREE OF CONCERT IN THE COLISEUM**

**SCOTTSDALE, Ariz.** – The Thunderbirds – hosts of the WM Phoenix Open presented by Taylor Morrison – are excited to announce GRAMMY® Award-nominated and eight-time diamond-certified global superstar Post Malone will take center stage live from the iconic 16<sup>th</sup> hole at TPC Scottsdale for the 2024 edition of the Concert in the Coliseum presented by Swire Coca-Cola on Saturday, Feb. 3, just two days before WM Phoenix Open tournament week.

General admission tickets for this special kickoff to WM Phoenix Open week will go on sale Wednesday, Nov. 15 at 10 a.m. at [www.WMPhoenixOpen.com](http://www.WMPhoenixOpen.com). The Concert in the Coliseum is a 21-and-over event. The concert will once again take place on a massive stage that will be built in the middle of the 16<sup>th</sup> hole strictly for this special Saturday night show. Venue gates will open at 3:30 p.m.

“The Concert in the Coliseum is a unique tradition at ‘The People’s Open’ and an event worthy of a truly transcendent musical talent in Post Malone,” said 2024 WM Phoenix Open Tournament Chairman George Thimsen. “His unbelievable stage presence and one-of-a-kind sound is going to kick off WM Phoenix Open week with a bang. We couldn’t be more excited to see him on stage.”

This is the third year The Thunderbirds have hosted this unique concert inside one of sport’s most famous settings. Last year featured Maroon 5 and Walker Hayes, while the first ever Concert in the Coliseum was headlined by Thomas Rhett and Old Dominion.

“Post Malone’s signature blend of high-energy performances and genre-bending lyrics are sure to be a force on the stage at the 16th hole,” said Concert in the Coliseum Chairman Billy Malkovich. “In each of the first two years, the Concert in the Coliseum has featured absolutely incredible musical acts and we’re thrilled to continue the tradition in 2024.”

The 2024 WM Phoenix Open will take place Feb. 5-11 at TPC Scottsdale. “The People’s Open” has been named the Tournament of the Year by the PGA TOUR four times to acknowledge the tournament’s legendary status as one of the most unique events in golf. The 2024 edition will mark the 89th playing of the event (one of the five oldest events on the PGA TOUR) and the 15<sup>th</sup> with WM as title sponsor. ## **ABOUT POST MALONE**

An 8x diamond-certified GRAMMY® Award-nominated phenomenon, Dallas, TX artist Post Malone regularly rewrites history, blurs boundaries, and incites internet-breaking conversation with every move. Emerging in 2015 with a genre-less brew that inspired a movement, he delivered the diamond-selling “Congratulations” [feat. Quavo], achieved back-to-back #1 debuts on the Billboard Top 200, received countless multi-Platinum certifications around the world, and smashed one record after another with his Hot 100-topping hits. In 2022, he pushed boundaries again with his fourth full-length offering, Twelve Carat Toothache, which marked his fourth consecutive Top 5 bow on the Top 200. It also paved the way for his biggest headliner to date, The Twelve Carat Toothache Tour, taking over arenas for multiple dates in major cities throughout the year. He even scored “the highest-certified single in RIAA history” with the 17x-platinum “Sunflower (Spider-Man: Into The Spider-Verse)” [feat. Swae Lee], netting the biggest single of his generation. In 2023, he garnered a GRAMMY® Award nod in the category of “Best Pop Duo/Group Performance” for “I Like You (A Happier Song)” [with Doja Cat], marking his tenth career nomination in six years.

Three years prior, his 2019 third full-length, Hollywood’s Bleeding [Republic Records], represented an audience and critical high watermark. Not only did it arrive at platinum status and eventually go triple platinum, but it also reigned at #1 on the Billboard Top 200 for four weeks and returned to the chart for a fifth week, making for the longest run atop the chart of 2019 and the first release to do so in over a year. The quadruple-platinum lead single “Circles” seized #1 on the Billboard Hot 100 for three weeks. It notably occupied a spot on the chart for a record 39 weeks in total. Speaking of making history, he performed a massively popular Nirvana tribute concert on YouTube, raising over \$10,000,000 for the World Health Organization in the fight against COVID-19. Hollywood’s Bleeding followed the immense success of the triple-Platinum beerbongs & bentleys, which also landed at #1 a year prior. In the wake of beerbongs & bentleys, Post crushed a record in place for 54 years. He charted nine songs in the Top 20 of the Hot 100, notching “the most songs in the Top 20 of the Hot 100 ever.” Moreover, he also trounced the record for most simultaneous Top 40 Hot 100 hits with 14.

As of 2023, his catalog comprises the GRAMMY® Award-nominated “rockstar” [feat. 21 Savage” (Diamond), “Sunflower (Spider-Man: Into The Spider-Verse)” [feat. Swae Lee] (Diamond), “I Fall Apart” (5x-platinum), “Psycho” [feat. Ty Dolla \$ign] (5x-platinum), “White Iverson” (5x-platinum), “Better Now” (4x-platinum), and more. Not to mention, he sold out numerous arena tours and hosted and curated his own mega-popular Posty Fest in 2018 and 2019. It all started with his quintuple-platinum influential 2016 debut, Stoney. With records under his belt that will likely never be surpassed and a generation of artists and audiences worldwide under his spell, Post Malone simply doesn’t stop.

Most recently, he released his highly anticipated fifth full-length record AUSTIN. The album, self-titled after Post’s legal name, is yet another shift in sound for Post and features all live instrumentation produced by Post and his longtime collaborators Louis Bell and Andrew Watt. In June, he received the Songwriters Hall of Fame “Hal Davis Starlight Award.” For more information visit <https://www.postmalone.com/>.
